Surety Reference for Wilson Construction Company:

To Whom It May Concern:

We are pleased to provide a surety bond reference letter for Wilson Construction Company. We have worked with Wilson Construction Company for five years and find them to be highly qualified. Wilson Construction Company has their bonds written by Big Surety who is rated A++ Superior by A.M. Best and maintains a size category of XV \$2 Billion and Greater. Big Surety is also listed as an approved surety company in the U.S. Treasury 570 Circular.

Big Surety is pleased to support single bonds in excess of \$10,000,000 and aggregate bond limits in excess of \$30,000,000 for Wilson Construction Company.

While we see no issue in providing bonds for Wilson Construction Company at these limits, each bond is written on its own merit and subject to favorable review of contract terms, financing, and other conditions. We nor the surety assume any liability if for whatever reason, contract bonds are not provided.

We are happy to provide this reference for Wilson Construction Company are know they would be a great choice for this or any other project.

Best Regards:

Josh Carson
